

Dear Guests

We would like to thank you for choosing or considering choosing Sofia hotel in Plakias. We are pleased to announce that we are officially ready to welcome you!

Health and safety are our top priorities, We will continue to uphold the highest standards of cleanliness and hygiene as all these years.

Given the current situation caused by COVID-19, we have taken additional actions in our hotel, developed according to the guidelines of Global, European and local public health authorities to make our cleaning and hygiene protocols even more sufficient. We are fully in line with specific protocols of which the Tourist Enterprises operate in the context of taking the correct measures against Covid-19

Meticulous cleaning - disinfection of all surfaces in the room and bathroom with steam device and certified disinfectant cleaners

All staff of the accommodation has received the necessary training to comply with health protocols.

All key cards and keys are placed in a special container for disinfection before they are given to visitors.

Change of bedding and towels will be performed every three days, or upon the visitors' request. Bed linen, fabrics and towels will be washed at high temperatures. The company operates with extended check-out and check-in hours between residences (check out until 11.00 am and check in from 3.00 pm)

This change in the time interval between each check in and check out is mandatory to ensure that, between different customers, the room is thoroughly cleaned and disinfected, and that adequate natural ventilation of the space is followed.

It is forbidden for non-residents to enter the rooms.

The accommodation has received a "Health First" certification from the Ministry of Tourism, which proves that the company adheres to health protocols.
